Next Level Apparel is revolutionizing the concept of the classic tubular tee and pushing the boundaries of how a shirt should fit, feel, and function. The 1800 has taken the expected boxy and flat design and reconstructed it with a relaxed fit and slightly dropped shoulder, resulting in a shirt with an elevated retail fit and the entry into a premium brand. Our proprietary Next-Spun technology delivers best in class durability while retaining softness, shape, and comfort at a cost-effective price point. Dubbed "The Tee For Every Economy," the 1800 is finally making its grand debut and blurring the lines between streetwear fit and workwear function.

Welcome to the Next Level of Tubular.
